About Mysuru

**Dr. Surinder Singh**

Vice - Chancellor, JSS Academy of Higher Education & Research, Mysuru

Dear Prospective Students,

As the Vice Chancellor of JSS Academy of Higher Education & Research (JSS AHER), I am pleased to extend my warmest greetings to you. As we begin the admissions process for the academic session 2022-23, I am excited to invite you to join our esteemed institution.

Since its establishment in 2008, JSS AHER has been dedicated to serving the needs of our community and striving for excellence in the higher education sector. Our journey has been characterized by innovation, passion, and a relentless pursuit of quality and excellence in education, research, and outreach.

At JSS AHER, we believe in fostering holistic development and empowering students to acquire academic knowledge and essential skills and competencies needed to thrive in the 21st century. Our interdisciplinary approach creates a dynamic learning environment where students are encouraged to explore, innovate, and turn challenges into opportunities.

With 150+ programs across various disciplines, including Medicine, Dentistry, Pharmacy, Life Sciences, Management Studies, Biomedical Sciences, and Yoga, we offer a comprehensive educational experience that is learner-centric and globally relevant. Our modern infrastructure, dedicated faculty, and extensive international collaborations ensure that our students receive a world-class education that prepares them to excel in their chosen fields.

Furthermore, our commitment to accessibility and inclusivity is reflected in our generous financial aid program, which ensures that talented students from all backgrounds can access quality education at JSS AHER. As you consider your academic journey, I invite you to join our vibrant community of scholars, researchers, and changemakers shaping the future of healthcare, science, and technology. Let us embark on a transformative educational experience together that will enrich your lives and empower you to positively impact the world.

I eagerly anticipate welcoming you to JSS AHER and supporting you in realizing your aspirations and dreams.

Best wishes,

**Dr. Surinder Singh, MBBS, MD**

Vice Chancellor

JSS Academy of Higher Education & Research, Mysuru

## **JSS Academy of Higher Education & Research, Mysuru (JSS AHER)**

JSS Academy of Higher Education & Research (JSS AHER), Mysuru, Karnataka (Formerly known as Jagadguru Sri Shivarathreeswara University (JSSU)), is a Deemed to be University located in Mysuru, Karnataka. It was established in 2008 under Section 3 of the UGC Act 1956.

The University is recognized by the University Grants Commission under UGC Act and is a member of the Association of Indian Universities (AIU). It is also Accredited 'A+' Grade by NAAC.

## **JSS Academy of Higher Education & Research (JSS AHER) comprises of:**

### **JSS AHER Constituent - Colleges:**

- JSS Medical College, Mysuru.
- JSS Dental College & Hospital, Mysuru.
- JSS College of Pharmacy, Mysuru and
- JSS College of Pharmacy, Ooty (Tamil Nadu)

### **JSS AHER - Schools:**

- School of Life Sciences, Mysuru
- School of Life Sciences, Ooty (Tamil Nadu)
- School of Public Health, Mysuru

### **JSS AHER - Departments:**

- Department of Water & Health
- Department of Environmental Science
- Department of Nutrition & Dietetics
- Department of Microbiology
- Department of Biotechnology & Bioinformatics
- Department of Health System Management studies, and
- Department of Yoga

### **Learning Centers:**

- Center for Distance & Online Education (CDOE)

# Vision, Mission of JSS AHER

## Vision

- “To be a globally recognized center of excellence in career guidance, skill development, and industry collaboration, empowering students to achieve their professional aspirations and contribute positively to society.”

## MISSION

- Sustain the momentum of success achieved in previous years, inspire students to aim higher and pursue their dreams with confidence, and strengthen partnerships with industry leaders to create diverse opportunities for career advancement and holistic development of students.

## **JSS Medical College, Mysuru**

JSS Medical College is in a sprawling 43-acre campus in Sri Shivarathreshwara Nagara, Mysuru City, which is about 140 Km from Bangalore. The city is famed for its educational institutions, salubrious climate, and beautiful gardens. The college which was started in 1984 has been designed and equipped for dispensation of quality medical education. The institution is backed by highly qualified and experienced staff, well equipped laboratories, library, and modern teaching aids.

Since its inception in 1984, JSS Medical College has been dedicated to serving society as a center of excellence with emphasis on socially meaningful medical education, research, and health care. The college has emerged as a pioneer in the state of Karnataka by providing medical and health care programs through internationalization, innovation in academic and research studies.

The college offers undergraduate courses in medicine (MBBS) and postgraduate degree (MD/MS) and Diploma programs in 24 medical disciplines along with 5 Super specialty courses in various disciplines. The sanctioned annual intake to the MBBS program is 250. The college is also conducting B.Sc (Allied Health Sciences), Bachelor of Occupational Therapy (BOT), M.Sc (Medical/Biomedical) and Masters in Public Health (MPH) programs in various disciplines, M.Phil in Clinical Psychology and Rehabilitation Psychology. The courses offered are a perfect blend of community oriented, problem-based learning with high quality clinical reasoning.

The graduate and postgraduate programs of the college are recognized by the statutory bodies. The courses offered are also recognized by General Medical Council (UK), Sri Lanka Medical Council and WHO. The college has been recognized by the Royal College of Obstetrics and Gynecology, UK for the award of MRCOG. The college is also recognized by the Malaysia Medical Council.

## **Library & Information Centre**

The central library is spread over an area of 14,167 Sq. ft. and also JSS Hospital has a separate library of its own. The library is equipped with medical and allied text books, reference books, encyclopedia, dictionaries, technical reports, monographs, thesis and dissertation works, foreign and Indian medical journals of repute, as well as general reading material. The library also has an impressive collection of CD ROMs and databases. A digital library with internet workstations is established.

## **Research**

Research is being carried out in all departments, both in the clinical and basic sciences, both in National and International funded projects. The staff and students are actively involved in Clinical and Research activities, including publication of papers in reputed professional journals. Depression Brain Bank, a unique project is actively functioning. JSS Body Donation Association registers and receives donations of bodies.

## **JSS Hospital, Mysuru**

The students of Biomedical Sciences & Bachelor of Occupational Therapy (BOT) will have the advantage of getting their hands on experience wherever applicable at JSS Hospital, Mysuru. JSS Hospital is an 1800 bedded teaching and service-oriented hospital, attached to JSS Medical College (JSS MC). It also has one of the biggest critical and emergency care facilities with 260 beds and is one of the renowned high tech tertiary care referral hospitals in South India having to its credit several super specialties and latest advanced equipment. This hospital has additional supporting paramedical training facilities in the form of College of Nursing, College of Physiotherapy and School of Nursing. Quality health care is given free of cost for the poorer section of society.

The hospital has 32 departments in various specialties. Since this is a teaching hospital, it provides services to patients through highly qualified doctors specialized in various fields. There are 25 major operation theatres in addition to 9 minor operation theatres, well equipped with modern and sophisticated equipments, besides Intensive Care Units, such as N.I.C.U., ICCU services and multi-disciplinary ICU like: Surgical ICU, Isolation ICU, Pediatric ICU, Neonatal ICU, Cardiac ICU, Respiratory ICU, Transplant ICU and Cardiothoracic ICU. The Hospital has its own Oxygen Plant with pipeline connections to O.T., various wards and departments. The hospital also has round-the-clock emergency services.

The drug center in hospital premises works round the clock and supplies drugs to patients at rates cheaper than those in the market.

**For more details about the hospital please visit its website: [www.jsshospital.in](http://www.jsshospital.in).**

## **JSS Dental College & Hospital**

JSS Dental College & Hospital, Mysuru has committed itself to becoming a center for excellence in Dental Education and a world leader in the field of Dental Sciences including hospital practice with the objective of strengthening the health care of the country. JSS Dental College and Hospital is in the city of Mysuru, Karnataka State, South India. Mysuru is known for its palaces and gardens and is about 150 km from Bengaluru. Easily reachable both by roads and railways. The Dental College was established in 1986-87 and is at present conducting BDS, MDS courses in Nine special divisions, PhD in Dentistry, and a Diploma in Dental Mechatronics.

The College is recognized by both the Dental Council of India and the Government of India. It is affiliated to the JSS Academy of Higher Education & Research (JSSAHER), Mysuru from 2008-09. Earlier it was affiliated to the Rajiv Gandhi University of Health Sciences, Karnataka, from 1996-97 and it was affiliated to the University of Mysore from 1986-87. The college is located in a JSS Medical Institutions Campus spread across over 38 acres. 5 acres of the total land is exclusively demarcated for the Dental College & Hospital. Separate hostel facilities are provided for both male and female students.

## JSS College of Pharmacy, Mysuru & Ooty

### JSS College of Pharmacy, Mysuru

JSS College of Pharmacy, Mysuru, Karnataka was established in 1973 and has an academic heritage as pioneering pharmacy institution in India. The pharmacy education we provide is recognized by Pharmacy Council of India (PCI), New Delhi, and by the All India Council for Technical Education (AICTE), New Delhi, and also accredited by the National Board of Accreditation (NBA) for B. Pharm program. JSS College of Pharmacy, Mysuru has been ranked 8th in India according to the ranking for the pharmacy colleges in India given by NIRF – 2023 (National Institutional Ranking Framework (NIRF), by MHRD, Govt. of India).

### JSS College of Pharmacy, Ooty (Tamil Nadu)

JSS College of Pharmacy, Ooty (TN) was established in 1980 with a view to provide job oriented professional courses in Pharmacy. The pharmacy education we provide is recognized by Pharmacy Council of India (PCI), New Delhi, and by the All India Council for Technical Education (AICTE), New Delhi, and also accredited by the National Board of Accreditation (NBA) for B. Pharma program. The infrastructure available makes the college a conducive place for academic learning that provides students with quality education in a clean & comfortable environment. JSS College of Pharmacy, Ooty has been ranked 6th among Pharmacy Colleges in India for 2023 by NIRF (National Institutional Ranking Framework (NIRF), by MHRD, Govt. of India).

## Approvals and Accreditations

- NABL Accredited Drug Testing Laboratory
- ACPE Certified Pharm. D. Program#
- MHRD & AICTE recognized “Institution Invention cell”

The first ever institution not only in the country and also in the Asia Pacific Region to get the International Certification for the Pharm. D. Program from Accreditation Council for Pharmacy Education (ACPE), USA.

# School of Life Sciences, Mysuru Campus

The School of Life Sciences (SLS), Mysuru was established in the year 2013. The School stands today as a unique institution in the country known for multidisciplinary and interdisciplinary teaching and research in life sciences.

Since its inception, the Faculty of Life Sciences has seen an exponential growth in a short span of time due to the unique programs, which are being offered, keeping in mind the problems of the society. The programs are designed to address the issues of the society. The School stand today as a unique institution in the country known for multidisciplinary and interdisciplinary teaching and research in life sciences.

Situated within a serene environment, the Faculty of Life Sciences hosts undergraduate, postgraduate and research programs catering the educational needs of both national and international students under the Choice Based Credit System (CBCS) pattern in line with the **National Education Policy 2020**, which provides a greater flexibility for the students to enhance their learning experience in the respective programs. One of the unique features of school of life sciences is its collaboration with medical, dental and pharmacy faculties for interisiplinary teaching and research. Such a close association has widened the areas of research and innovation giving students a greater advantage of understanding life better and addressing some of the complex issues through an inter-disciplinary approach. Students are also exposed to the realm of science & technology through internships and projects in various nationally renowned research institutes and industries. Entrepreneurship programs, personality development, value added programs and extension programs, which are offered, as extra-curricular activities not only make them industry ready but also responsible citizens of the future.

Faculty of Life Sciences currently hosts five Departments namely Department of Water & Health, Department of Nutrition & Dietetics, Department of Biotechnology & Bioinformatics, Department of Environmental Sciences, Department of Microbiology and eight Divisions namely Cognitive Neuroscience & Psychology, Biochemistry, Geoinformatics, Languages, Medical Statistics, Medical Physics, Molecular Biology and Nanoscience & Technology. Sixty full time well-qualified faculty members are continuously engaged in training more than 2000 students that strengthen the institute. The institute efficiently supports research activities among the scholars leading to quality Doctoral degrees in all the above-mentioned fields. Life Sciences has been ranked in top 50 among all science colleges in the country by Outlook Magazine and is ranked in the band of 800-1000 by the Times Higher Education in the life sciences subject category.

The School welcomes students from every corner of the world, who are eager to learn and make knowledge work at elementary level and understand mysteries in Life Sciences.

## School of Life Sciences, Ooty (Off-Campus)

The School of Life Sciences at Ooty Campus offers an outstanding and diverse portfolio of undergraduate and postgraduate programmes. In recent decades, great strides have been made in understanding important biological processes, particularly those at the molecular, cellular, and ecosystem levels. The Life Sciences degree programmes aims to diversely train its students, enabling graduates to pursue careers or advanced degrees in life and health sciences, research, education, industry, or governmental work.

## School of Public Health

The JSS School of Public Health was established in Oct 2021, although, the program has been running since 2010. Currently the School of Public Health has 40 to 45 MPH students taking admissions every year. They come from various parts of the country and learn to excel in serving for the society with the social entrepreneurship ability in Public Health. The new School of Public Health infrastructure, housed in the basement of JSS AHER, MG road campus consists of six classrooms, museum and model room, scholars and consultants' room, biostatistics lab and social entrepreneurship centre. The infrastructure has been built around the concepts of Health, Prevention, Wellbeing, Sustainable Development Goals, and Equity.

Our vision is to provide high-quality education to empower and enable all students to apply their acquired competencies to be world-class leaders; to transform the health and well-being of people locally and globally.

The main goal of the Master of Public Health program is to create excellent public health professionals for planning, organizing, and delivering quality health care. The program offers one of the most widely recognized academic training and professional credentials for working in the field of public health. MPH caters to the increasing demand for public health graduates in National and International Public Health Organizations, public and private health research institutes, and Non-Governmental Organizations (NGOs). The current MPH program is tailored for career-oriented professionals with interests in re-specialization or advanced specialization in the field of public health. The main subjects taught are Epidemiology, Biostatistics, Social Behaviour Change Communication, Health Systems, Health Policy, Health Economics, Research Methodology, Public Health law, etc. The curriculum is designed around prevention of diseases and public health. The main focus is to prevent the disease focusing on all the dimensions of health. Hence the psychological and mental well-being, social dimension of health all are also focused upon other than physical and nutrition dimension.

The students are exposed to various research projects funded by ICMR, WHO, etc, Social entrepreneurship activities, observations of national and international days. They are also exposed to various data collection and analysis tools and software. Students are also exposed to various multitasking activities and write detailed reports. They also get the opportunity to do their internships in various organisations like NHSRC, ICMR, PIRAMAL SWASTHYA, SVYM, GRAAM, KHPT, etc where they usually get absorbed for jobs. They get jobs in Govt, Research Organisations (ICMR), NGOs, CSRs and Pharmaceutical companies.

## FACULTY OF MEDICINE\*

### UG/PG/ Superspeciality

- MBBS
- MD/ MS/ Dip - 24 Specializations
- MCH/ DM - 5 Specializations

### Fellowship

- Psychosexual Medicine
- Neonatology
- Pain Medicine
- Critical Care Medicine

### B.Sc (Allied Health Sciences)

- Medical Laboratory Technology
- Medical Imaging Technology
- Anaesthesia & Operation Theatre Technology
- Renal Dialysis Technology
- Respiratory Care Technology
- Cardiac Care Technology
- Perfusion Technology
- Emergency Medicine Technology
- Physician Assistant
- Optometry
- Forensic Sciences
- Medical Genetics & Genomics (Hon's)
- Bachelor of Occupational Therapy

### MPH/ M.Phil/ M.Sc (Medical/ Biomedical)

- Medical Microbiology
- Medical Biochemistry
- Medical Physiology
- Medical Anatomy
- Medical Pharmacology
- Clinical Psychology
- Clinical Embryology
- Medical Genetics and Genomics
- Echocardiography
- Forensic Odontology
- Masters in Public Health (MPH)
- M.Phil Rehabilitation Psychology
- M.Phil Clinical Psychology

## FACULTY OF DENTISTRY\*

### UG/PG

- BDS
- MDS - 9 Specializations

### Diploma

- Diploma in Dental Mechatronics
- Dental Operating Room Assistant (DORA)

### Certificate Programs

Dental Certificate - 7 Programs

## FACULTY OF PHARMACY

### Diploma/UG/PG Programmes

- D Pharm
- B Pharm
- B Pharm (Lateral Entry)
- Pharm D
- Pharm D (PB)

### M.Pharm

- Pharmaceutics
- Pharmaceutical Quality Assurance
- Regulatory Affairs
- Industrial Pharmacy
- Pharmacy Practice
- Pharmacology
- Pharmaceutical Chemistry
- Pharmaceutical Analysis
- Pharmacognosy
- Pharmaceutical Biotechnology

### Clinical Pharmacy Residency Program

- Infectious Diseases
- Oncology
- Nephrology

### Diploma / Certificate Program

Pharma Diploma - 17 Programs

#### Certificate

- Medicine Information
- Herbal Drug Standardization
- Clinical Research
- Pharmaceutical Quality Assurance

#### Course in association with

#### National Institute of Health (NIH), USA

- Introduction to the Principle & Practice of Clinical Research
- Principle of Clinical Pharmacology

## DEPARTMENT OF YOGA

- B.Sc. Yoga
- M.Sc. Yoga
- Yoga Teachers Course (YTC) (3 months)

## DEPARTMENT OF HEALTH SYSTEM MANAGEMENT STUDIES

- BBA Hospital & Health System Management (Hon's)
- MBA Hospital Administration
- MBA Pharmacy Administration
- MBA Information Technology

### PhD

- Medicine / Dentistry / Pharmacy / Management Studies / Yoga / Life Sciences / Biomedical Science

**For Admissions - Apply @**  
**www.jssuni.edu.in**

## SCHOOL OF LIFE SCIENCES MYSURU & OOTY

### B.Sc Courses (General - 3 Years/ Honours - 4 Years)

- Biotechnology
- Microbiology
- Environmental Sciences
- Food, Nutrition & Dietetics
- Psychology
- Biochemistry
- B.Sc Computational Biology & Bioinformatics

### M.Sc Courses

- Cognitive Neuroscience
- Environmental Sciences
- Geoinformatics
- Nanoscience & Technology
- Nutrition & Dietetics
- Molecular Biology
- Biochemistry
- Microbiology
- Medical Statistics
- Bioinformatics
- Cosmetic Science
- Sports, Nutrition & Management
- Biotechnology
- Medical Physics

### Diploma

- Tissue Culture
- Nutraceutical Technology
- Environment, Health & Safety Management

## DISTANCE / ONLINE LEARNING PROGRAMS

### Distance Learning

- M Sc Environmental Science
- Diploma in Environment Health & Safety Management
- Diploma in Tissue Culture
- Certificate Program in Statistical Methods & Research Methodology

### Online Learning Programs

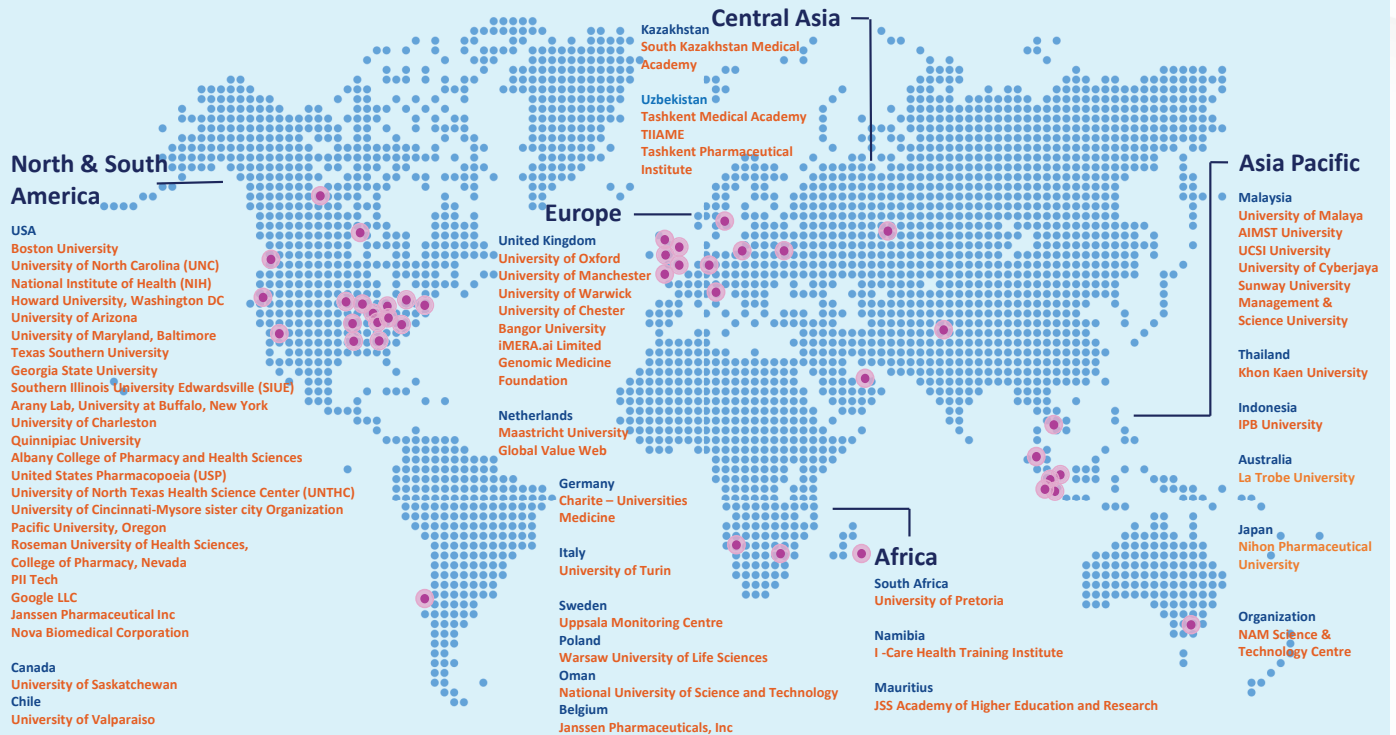

- MBA Hospital Administration
- MBA Pharmacy Administration
- BBA Hospital and Health System Management
- B.Sc Psychology
- Certificate Programme in Dental Ethics & Jurisprudence
- Certificate Programme in Yoga Instructor

### Diploma in

- Pharmacovigilance/ Quality Control/ Bioinformatics/ Regulatory Affairs/ Medical Device

**\*Note:** The guidance will be given for Medical & Dental Programs. Candidates may apply to NEET UG, PG & SS entrance test. # Ban on Ragging

- Ragging is a criminal offence as per Karnataka Educational Act 1983 and Hon'ble Supreme Court of India. JSS Academy of Higher Education & Research ensures strict compliance on the prevention of Ragging in any form.

## Definition:

- "Ragging" means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his person or exposes him to ridicule or to forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him or by using criminal force to him or by holding out to him any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force. Supreme Court of India has defined ragging as a criminal offence.

## Penalty for Ragging:

- No person who is a student of an educational institution shall commit ragging. Supreme Court of India has ordered that "if any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution".

## Warning

- No leniency will be shown to the offenders involved in ragging. All students are requested to note and cooperate in keeping our university and its constituent colleges free from ragging.

# About Mysuru

India pulsates with a spectacular mix of people, traditions and landscapes.

One of South India's most famous tourist destination, Mysuru (which recently changed its name from Mysore) is known for its glittering royal heritage and magnificent monuments and buildings and aptly called the cultural capital of Karnataka. Its World Heritage-listed palace may be what brings most travelers here, but it's also a thriving center for the production of premium silk, sandalwood and incense. These days Ashtanga yoga is another drawcard, attracting visitors worldwide with its reputation as one of India's best places to practice yoga. The nature and peace within the city are a reason to keep visiting Mysuru. The warmth of the people will leave you spellbound.

Mysuru is the global headquarter of Infosys, the world's premier information technology company. Mysuru is also an education hub with Mysore University and several higher education institutions.

We welcome you to experience the love culture diversity beauty of India through Mysuru.
