

Joint Bachelor's Degree Programmes

The College has established partnerships with world renowned universities and offers a variety of Joint Bachelor's Degree Programmes, aiming to offer students with international exposure. 4-year Bachelor of Science students with outstanding academic performance may apply. Admitted students have the opportunity to enrich their knowledge in a multicultural environment during their studies, and after fulfilling their degree requirements, are awarded **two bachelor's degrees**, one from CityU and the other from the partner university.
