

Taking the next step with MU Vienna

THE MASTER PROGRAMS

At MU Vienna you could be furthering your education in a **Master program** designed to help you make your own impact on the world. You could also be waking up in the **center of Europe** in **Austria's capital city** and studying at our leafy hill top campus. Modul University Vienna is widely considered as **Austria's leading international private university** and is owned by the British company Talents Squared Limited and the Vienna Chamber of Commerce. Both organizations are eager to jointly further develop the educational profile of Modul University Vienna.

Master students from over 70 countries call MU Home

What's the best thing about being a Modulian? We're proud to have an 83% international student population. This means there's always something to learn from your classmates as well as your lecturers. MU welcomes you in modern campus buildings in the north of Vienna, a desired travel destination.

Academic and business-oriented education

As an MU Master student, you can do an internship to benefit from real-world immersion in a managerial area of your choice while earning ECTS points. Top students can also participate in the **Excellence Program** which pairs MSc students with senior representatives of Austrian and international companies. Gain **first-hand experience working together with senior management in a professional environment**, and be ready to launch your career directly after your studies.
