Bookshelf + CoachMe

The Student Learning Journey with Bookshelf CoachMe™

Students show up to class confident and ready to learn.

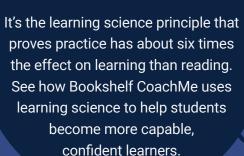

Students answer practice questions while they read their Bookshelf® etext.

Students focus on the materials they still need to learn.

Have you heard of the Doer Effect?

They receive immediate feedback on their answers.

Based on question feedback, students see what they already know.

Students can retake any questions they got wrong.

Students can retake any questions they got wrong.

At the end of the chapter, students answer summative knowledge checks.

They receive immediate feedback on their answers.

1010 0101 **Spotlight on: VitalSource Al-Generated Questions**

Practice questions and knowledge checks are automatically generated using VitalSource's artificial intelligence and natural language processing technology and are aligned to the core etext content.

Spotlight on: Bookshelf CoachMe Practice Question Types

Bookshelf CoachMe practice question types include fill-in-the-blank, matching, free response, and multiple choice.

The Bookshelf you know and love, just better.
